

Invest in the Security of our Community

Donate to the CGNA Foundation's Police Observation Device (POD) Fund

Why Neighborhood PODs ?

- Effective crime prevention tools
- Flashing blue light maximizes visibility
- Proven track record in City of Sacramento

Your donation is tax deductible in accordance with IRS regulations.

Make your checks payable to: CGNA Foundation's POD Fund.

The College Greens and Glenbrook Neighborhoods have been offered an opportunity to partner with the Sacramento Police Department in a pilot program using the City's POD Surveillance Cameras to assist in reducing crime in our neighborhoods.

Each POD has three surveillance cameras that enable it to capture and record all passing vehicles. When a crime takes place, the cameras come into play. The PODs will provide the police with a photo of the vehicle, the license plate and the driver in addition to the time and the direction the vehicle and suspect were heading upon entering and exiting the neighborhoods.

This pilot program will place a POD at each of the 5 major entrance/exits into our neighborhoods:

Howe / La Riviera

Watt / La Riviera

Notre Dame / Folsom

Julliard / Folsom

Wissemann / Folsom

Help make a difference - Donate to the POD Fund today!

Suggested Donation \$ 25

Tax ID EIN # 47-4702855
