

Neighborhood Night Out Returns!

The College-Glen Neighborhood Night Out returned this year to beautiful weather, friends and family, and fireworks! Over 500 neighbors gathered to meet members of the Sacramento Police Department (SPD), Sacramento Fire Department Station 60, and Sacramento County Probation, and chat with our neighborhood business and not for profit sponsors. Everyone had a chance to climb into a fire truck, sit atop a SPD motorbike, explore the SPD mobile command center, meet the SPD mounted police and their horses, and shake hands with Probation Panda. A special thank you to the Sacramento Police Department Chief of Police Kathy Lester for attending our event and sharing her time with the neighborhood.

Thanks to our sponsors who shared information and talent including SMUD, State Farm, York Orthodontics, Save the American River Association, Sacramento Pick it Up, Waste Management, and the Department of Utilities, Water Conservation. Raley's cookies and icing provided a build-it-yourself sweet treat, Councilmember Eric Guerra's office helped with face painting, Assemblymember Kevin McCarty's office handed out popsicles, Miss Paula with the SCUSD Preschool Program offered activities for the little ones, SCUSD Board Member Leticia Garcia popped and handed out 200 bags of popcorn, and the Billeci Family and friends tied 200 balloons into smile making creatures!

The young women from Rosemont High School helped us set up the tables and chairs from Neighborhood Services. The Boy Scouts started the night leading us in the Pledge of Allegiance. Ben Billeci opened the TNT/Red Devil Fireworks Show with the National Anthem, Jason and Karl lit the fireworks, and everyone sat back and enjoyed the spectacle. As the night concluded two energetic young boys folded and staked 100 chairs along with countless other volunteers who helped us clean up after party was over.

It was wonderful to be back together again to celebrate our community and meet our local peace officers and emergency responders!

Please see pages 8-9 for more photos of the event.

Greetings from Rosemont High School! By Elizabeth Vigil, Principal

Greetings from Rosemont High School! What a great end to an outstanding year for our seniors and their families. Senior Awards Night was definitely a highlight! It was amazing to see so many students celebrated for their hard work and commitment. Among many awesome accomplishments, 80 of our seniors earned the distinction of Golden State Seal Merit Scholar, and 29 earned the California State Seal of Biliteracy for demonstrating the ability to read, write, and speak another language. 21-22 also brought the return of Signing Day, where seniors were recognized for their post-secondary destinations including UCs, CSUs, colleges and universities across the country, all branches of the military, and a variety of other programs. Six ECD seniors signed with the local 447 plumbers and pipefitters union: Josh Waldon, Jake McCeown, Elijah Bueno, Gerardo Garcia, Dominic Moore, and Gannon Pena. James Saelee will be sailing with the Coast Guard, Xander Butters will join the Marine Corps, and Mikaili Cosby will attend UC Santa Barbara, Co-Salutatorians Sean Aflaki and Allen Dang are going to UCLA, and Co-Valedictorian Elliott Belnap is headed to BYU after a 2-year mission in Ecuador.

At Senior Sunset, students enjoyed spending time

together after their last day on campus, and the Rosemont High School Graduation Ceremony at Sutter Health Park was a tribute to the resilience and grit that characterized this amazing class.

Although we are sad to see our seniors move on to the next chapter, we are already looking forward to 22-23, which will be a great year for all of us! Please call us or stop by to tour the campus and see what we have to offer!

Albert Einstein Gets Exciting Upgrades

By Chase Tafoya, Principal

We are very proud of our amazing students and families for a successful school year! Looking forward to the upcoming school year, Einstein is thrilled to bring new experiences and campus upgrades. Our school is getting a brand-new gym floor and will install 30 new SMART Boards in nearly all student classrooms this summer. Additionally, Career Technical Education (CTE) will now be offered as an elective starting next school year. Here is more about CTE: Career Technical Education is a class that is focused on Career Exploration. Students will work in small teams to engage in authentic problem-based learning experiences while discovering their interests and aptitudes. This elective is designed to allow students to experience different career pathways, whether it be college or certificate pathways. Students will use technology to enhance productivity, utilize critical thinking skills, define problems and persevere in solving them, demonstrate creativity and innovation, and apply academic and technical skills. Students will work through a series of hands-on learning modules such as Design and Marketing, Robotics, Culinary Arts, Video Production, Veterinary Medicine, Structural Engineering, Computer Graphics and Game Development, Digital Audio Production, and much more!

We wish all our Einstein and SCUSD families a restful and enjoyable summer and look forward to welcoming our students back to school on 9-1-2022! Thank you!

SCUSD Board Update

By Leticia Garcia, Trustee Area 2

Summer is finally here! The 2021-22 school year ended getting closer to normalcy—with in-person promotions and graduations.

Summer Matters programs are well underway at selected school sites for students in K-8. These opportunities are possible because of the District's partnership with our community based organizations—where students enjoy enrichment activities such as music, dance, painting, theater arts and physical play/exercise. Through the Summer at City Hall program, our high school students (juniors and seniors) learn about local government processes and how to become active members of their community. These types of programs will continue to grow in the coming years.

In June, the Board unanimously approved a proposed budget of \$690 million for the 2022-23 school year. While the budget will be revised in August, it includes funds to hire more teachers, counselors, social workers, and mental health professionals to support student needs. The budget also makes big investments in expanding Before and After School programs at all schools, professional development for teachers and staff, replacing old textbooks and more.

The final budget will also include additional funds for school safety by hiring more staff to assist schools.

The goal is to build stronger programs and supports for our students as they return for the 2022-23 school year.

I look forward to welcoming students, teachers, and staff for the new school year—well rested and ready to learn.

Free SCOE Online Course to Help Immigrants Better Integrate

David W. Gordon, Superintendent of Schools

The Sacramento County Office of Education (SCOE) has launched a new and innovative online course to help English learning immigrants and refugees successfully integrate into the United States. Access America is a FREE course with units aligned with the stages of immigrant integration.

The course is found within USALearns, (www.usalearns.org) a free SCOE-developed website that helps adults learn English, obtain job skills, and prepare for U.S. citizenship online. Access America helps learners access available community resources and teaches how families can communicate with their schools, find housing and employment, obtain medical care, interact with the local community, and much more.

The course contains a wealth of vital information that newcomers to our country need. Beyond preparing to meet citizenship requirements, many immigrants also want to continue improving their English-speaking skills, or sharpen their workforce skills to better support their families.

Access America can be used by instructors teaching in remote, hybrid, or conventional classroom environments. The program includes thousands of multimedia elements, including custom animated videos, images, and audio files. The program is a self-paced or teacher-guided course that provides English instruction and helpful information about living in the United States. This new course focuses on immigrant integration while encouraging immigrants to preserve their cultural identities.

Responsibilities of the County Board of Ed

By Bina Lefkovitz, Trustee Area 1, Sac. Co. Board of Education

During my recent campaign, I realized how little the community understands what the County Board of Education does. Our Board has a specific role set out in the Education Code which includes: Hiring our County Superintendent (one of 5 appointed Superintendents in the state, most of whom are elected); Acting as a judicial body and hearing appeals on student expulsions, inter-district transfers and charter school applications, denied by their school districts. We are also the school board for 1000 students in our Juvenile Hall and four community schools, offering a second chance at education for students who have been expelled, are on probation, have emotional disturbances, or did not graduate from their high school in four years. Our board establishes structures that guide the County Office of Education work such as approving our county office budget, policies, and committees. We partner with the Superintendent to set direction and have four joint goals: mental health in schools, family and youth engagement, covid response, and equity efforts. We create accountability by evaluating our superintendent and reviewing reports related to student outcomes and progress in implementing COE programs and grants. We provide community leadership and advocate for schools and students at our bimonthly school board meetings, to the Sacramento County Board of Supervisors, and push for legislation and funding at the State Legislature. This past year the county board served in its school district organization role to approve changes by several districts from at large to by district school board trustee areas.

What a Great Season! By Christopher Gartner

College Glen Little League Spring Ball is in the books. Congratulations go out to our Division Winning Farm Giants, Minor Dodgers, and Major Mets. Our Junior Cubs finished the season with a 20-2 record over our District opponents, finishing as the runner-up in the Tournament of Champions. A big congratulations to our Major River Cats who won their division's Tournament of Champions, beating their counterpart Major Mets in the semi-finals, then Rancho Cordova in the finals game! Great job, boys!

Little League has now moved into All-Star season. Congratulations go out to all our All-Stars. Minors: Kellen, Nolan, Antron, Hudson, Rigel, Alex, Dieter, Will, Cameron, Anthony, Chase, Nathan, Sam, and Preston. The Major All-Stars have nine returning members: Colt, Taylor, Kyran, Diego, JT, Cruz, Austin, Will, and Levi, and four new members: Preston, Nate, Landon, and Elijah. And our Junior All-Stars: Hunter, Colby, Antonio, Mason, Gavin P, Caleb, James, CJ, Gavin T, Niko, Nathan, Max, and Joey. Let's go out and have a

great showing in your tournaments.

College Glen will be the host site of the Minor District 5 Tournament (6/25-7/7) and the Major Section Tournament (7/14-7/19). Come on out, grab a hot dog and enjoy a few games.

Stay in Touch with The College-Glen Neighborhood Association! Check out the CGNA Web Site at www.collegeglen.org

District 6 Events

From the Desk of Mayor Pro Tem Eric Guerra

Hello neighbors!

Summer is here and events are in full swing in District Six. We are proud to build upon traditions old and new as we find more ways to bring our neighbors together!

Big THANK YOU to everyone who came out to Oki Park Food Trucks, with rave reviews, I am proud to announce that the Oki Park Food Trucks will be extended! Newly extended dates are Fridays, July 8th, August 12th, and September 16th 5:30pm-7:30pm! The pool will be open during regular hours on the July and August events from 3:00pm-7:00pm.

Oki Park Movie night is back! This year, we will be screening Disney's Luca at sundown after the Food Truck event on Friday, September 16th. Bring your lawn chairs for dinner and a movie on the BIG screen! We will be providing free water and popcorn.

We are proud to continue to partner with CGNA on the annual NNO on Friday, July 1st. We enjoyed celebrating our neighborhoods!

The community mural at Brother's Plumbing is complete! Thank you to our neighbors who came out to help paint the mural, the Folsom Blvd Revitalization Coalition, Sac State, Power Inn Alliance, and Sacramento Office of Arts and Culture for making this possible! A special thank you to Brother's Plumbing for making their wall available, make sure to stop by 8581 Kiefer Blvd for a great view.

Please contact my office if you have any questions by calling (916) 808-7006.

Sacramento Fire Department Station 60

By Captain Dale Maddox

Greetings College Greens and Glenbrook. Here is the latest from Station 60 and the Sacramento Fire Department.

We have already had multiple grass fires in the neighborhood to kick off the summer. Please be careful out there. It is very dry and as you know we are in a severe drought. One thing you may have not considered is the amount of water it takes to extinguish a grass fire. Engine 60 will typically use anywhere from 500 gallons minimum to over 1000 gallons on some of the fires around here. That doesn't include the use of other fire companies or the amount of water that the helicopter uses when it drops water, which is approximately 364 gallons. With the 4th of July approaching – please be careful..., we can't forget structure fires – fireworks cannot distinguish what they ignite.

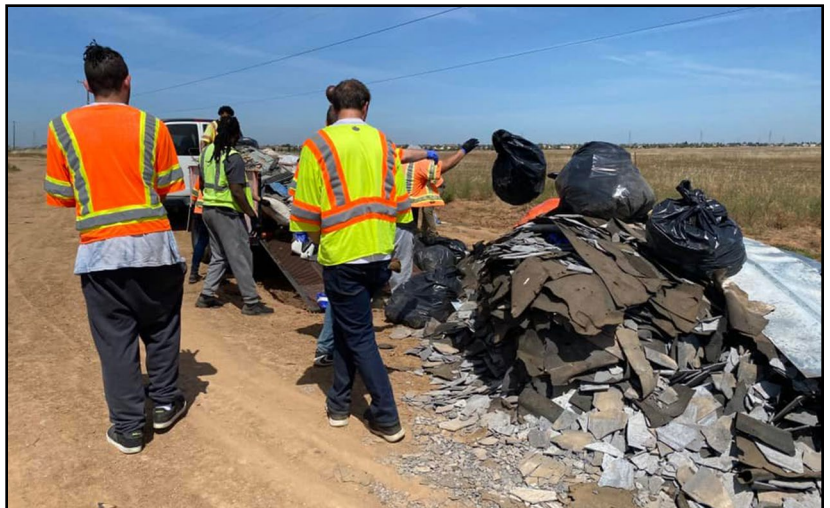

You might not be aware, but your fire department now has an official diversity, outreach and recruitment team. Funded by Measure U, this team has created a girls fire camp, a cadet youth program, a pipeline program for those that want to become firefighters and a recruitment to attend neighborhood outreach events. Look for us out and about or check out our website at cityofsacramento.org/fire/careers.

Last but not least, we have over 30 probationary firefighters out serving our city. The last academy just graduated on June 16th. We wish them good luck on their one year probation.

Sacramento County Probation Helps Provide Community Restoration

By Elise Vondrak, Supervising Probation Officer

On May 18th and May 19th, The Sacramento County Probation Department's Community Outreach Unit (COU) partnered with the Rancho Cordova Police Department and Public Works to clean up large amounts of debris that had collected along the 1.3 mile stretch of Kiefer Boulevard between the Rancho Cordova Parkway and Grant Line Road. The work crew rose to the challenge of restoring the area and did an amazing job in the process. This was our first in-person outreach event since the beginning of the pandemic in 2020. Since then, work crews have also cleared numerous amounts of trash and debris that have escaped the Kiefer landfill, picked up litter along the 3.2 mile stretch of Roseville Road and have completed weed abatement, fire fuel reduction, and litter pick up within Sacramento County. Next, the COU plans to complete weed abatement in the garden between Glenbrook Park and the river access in College Glen. We are dedicated to participating in community service

efforts that focus on improving our neighborhoods. Please say hello to our officers if you see them in the community!

Stage Budget Passes, Local Initiatives

From the Desk of Assemblymember McCarty

Thank you for your continued advocacy on behalf of your neighborhood. I am honored to serve as your Assemblymember.

The Legislature recently passed the 2022-23 State Budget, which includes landmark investments in education and housing. Our final budget increases TK-12 school funding by over 16%! This plan puts California among the top 15 states in the nation for per pupil funding, after 40+ years of being at the bottom of the list. We funded Universal PreK and After-School programs - both free for all California families. We also expanded Childcare and Career Technical Education.

Our higher education budget expands UC and CSU enrollment and increases Cal Grant and Middle Class Scholarship eligibility, paving the way for our California Debt-Free College plan. We've made investments toward homelessness and housing affordability, including funding student housing and adaptive reuse – transitioning unused state buildings into housing. We also appropriated millions locally for Sacramento to tackle homelessness with new shelter facilities.

Assemblymember Cooley and I continue to work to protect and preserve our beloved American River Parkway, the jewel of Sacramento. We're pursuing legislation to clarify that camping along the American River Parkway is strictly prohibited, and we're pursuing a budget allocation to fund more shelters and safe ground locations.

Lastly, our finalized budget provides significant tax relief to counter inflation and gas prices. Millions of Californians will benefit from stimulus payments ranging from \$200-\$350 per person, with a maximum of \$1,050 per family.

Stay connected with me on social media @AsmKevinMcCarty and visit my webpage at a07.asmdc.org for updates.

County Budget Approved

By Supervisor Rich Desmond

The Sacramento County Board of Supervisors voted unanimously on June 9 to approve the \$7.3 billion recommended budget for Fiscal Year (FY) 2022-23. The \$7.3 billion budget consists of \$2.8 billion in Enterprise and Special Revenue Fund appropriations, \$3.5 billion in General Fund appropriations, and \$1.1 billion in Restricted Funds.

The budget recognized new or enhanced areas of growth, including annual commitments of:

- Addressing Homelessness - \$5.3 million
- Road Pavement Rehabilitation Projects – \$20 million
- Substance Use Disorder Residential Treatment - \$10 million
- Crisis Stabilization Units - \$5 million
- Mental Health Services Act Full Service Partnership - \$7.5 million
- School-Based Mental Health Program - \$4.3 million
- Child, Family and Adult Services - \$19.1 million
- Afghan Refugee Assistance - \$3 million

During deliberations, the Board added additional items totaling \$2.6 million, which included:

- \$1 million for additional scattered sites to house people experiencing homelessness
- \$498,072 to provide a fourth staff position in Districts 1,3,4 and 5
- \$450,000 for improvements at McFarland Ranch, American River Ranch and Dillard Ranch
- \$167,881 to provide a position supporting homeless issues in District 2
- \$150,000 to Visit Sacramento for a total annual contribution of \$500,000
- \$106,690 to provide additional staffing for the Clerk of the Board's Office
- \$100,000 to the Mack Road Partnership to purchase the South Sacramento Community Center property
- \$75,000 to Splash for vernal pool education
- \$25,000 for an additional \$5,000 in TOT District Funds for each District
- \$5 million was also set aside to fund the new American River Parkway Homeless Reserve.

The Final Budget will come back to the Board in September for review and adoption.

Bancroft Celebrates in Person! By Lorena Carrillo, Principal

As we close out the 2021-2022 school year, we were able to host some of our year end events in person! This is the first time in two years that we were able to hold our Talent Show, Kindergarten Fashion Show, and 6th grade Promotion.

With all the COVID safety precautions in place, students in grade 3-6 were so excited to be back on the stage with the production of "Bancroft Goes to Broadway". This musical extravaganza was an homage to past and present Broadway musicals. Some of the skits were from Hamilton, Grease, Newsies, and Hairspray.

To ensure that we can keep to tradition, we moved our annual kindergarten show outdoors. Kindergarten students were able to dress up in what they wanted to be when they grow up. As they modeled their future profession outfits, the teachers read aloud why they wanted to go into this profession in the students' words. We had an array of professions from surf boarders to NASA astronauts.

Our sixth graders did not have to do a drive-thru promotion as we had done the past two years. Family and friends were able to attend our outdoor event in which we were able to recognize each student for their completion of elementary school. As each student walked down the aisle, their memories of Bancroft were shared with the audience. It was wonderful to see so many happy faces from not only the students, but also from family and friends.

Councilmember Eric Guerra and the College Glen Neighborhood Association/Foundation Invite you to

Movie in the Park

Pixar's

Luca

Friday, September 16, 2022 at Oki Park, 2715 Wisseman Drive

Folsom Boulevard Improvement Coalition Update

By Sue Brown

On May 15th, about 200 community members attended the Community Murals Sacramento program paint-by-number paint day at Brother's Plumbing. Artists John Osgood, Sharon Norton, Annie Peony, and Jolene Russell collaborated to design the mural. Depicted are the history of Asian Americans and strawberry farming, the American River with memories of a father and kid fishing, acknowledgment of the Nisenan Tribe with a tribe member wearing a traditional headdress, a Sacramento State student, a mom graduating from the university and the Guy West Bridge.

In April, safety improvements were made to the intersection of Folsom at Notre Dame/Jackson. The Coalition thanks Councilmember Guerra and city staff for their partnership on this important project.

The Coalition also thanks the owners of the Folsom Blvd. Flea Market for installing new landscaping along their frontage. We are working with them to bring a weekday Farmer's Market to the community.

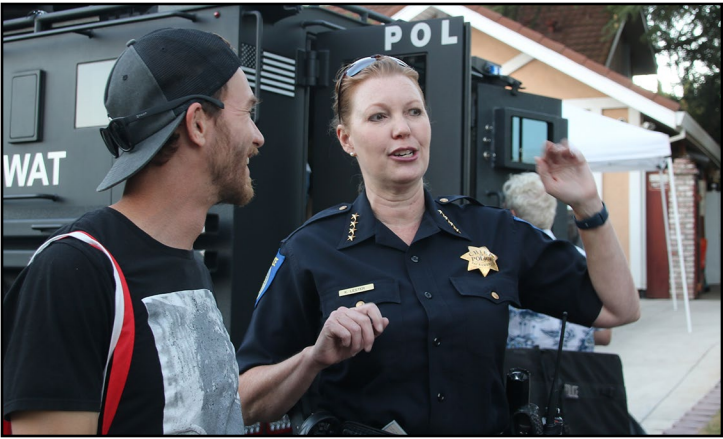

This Fall, Sac State graphic arts students will begin a project to design artwork to wrap electrical boxes along Folsom. We are receiving a Sac State Anchor University Grant for \$5000 for Phase I to wrap six city-owned boxes in early 2023. We continue to seek funding to expand the program.

The Folsom Boulevard Coalition includes residents and business owners working with Councilmember Guerra, Power Inn Alliance, Sac State and CGNA with a goal to improve the travel experience, pedestrian safety and aesthetics on Folsom from Power Inn to Watt. To get involved contact mgutie2381@icloud.com or suegbrown58@yahoo.com.

CGNA Family Night Out 2022

Sacramento SPCA Doggy Dash

The Sacramento SPCA Doggy Dash returned in-person with record levels of participation. The 2022 Doggy Dash raised more than \$223,000 to help the Sacramento SPCA provide direct care to the animals in our community. Thank you for your support!

McClaskey Toddler & Pre-School Graduation

Students and families celebrated graduation together this year after skipping the event during the pandemic.

The toddler and pre-school program offered at Thomas Jefferson School in the McClaskey Center offers four-day morning and afternoon preschool and a toddler class on Fridays. All classes have a parent participation component. A parent or grandparent works in the classroom one day a week in the preschool and someone stays with the child in the class with the two-year-olds.

For more information on the program contact Ms. Paula, the instructor, at 916-247-3335.

McClaskey Adult Center Classes

Free Friday Morning Watercolor Mini-Workshop

Woody Hansen has resumed his Free Friday Watercolor Mini-Workshops - weather permitting.

Woody invites you to bring your paints, pencil, or camera and enjoy a cool, morning of artistic motivation.

Weather permitting, class begins at 9 AM every Friday morning throughout the year. All levels, all ages, welcome. For information on Free Friday Watercolor Mini-Workshops and Woody's studio watercolor classes you may E-mail Woody at watercolors@woodyhansen.com

Karate Classes In Person

The Uechi - Ryu Karate classes continue to welcome new students in both the adult and youth classes. Everyone is encouraged to come, visit, and find out if this karate class is the one for you. Karate offers personal fitness, character development and individual growth. For more information, please contact or e-mail vandervolgenjr@yahoo.com.

Youth Traditional Uechi - Ryu Karate Mon/Wed, 6:00 – 7 :00 pm This class is designed for youth and strives to provide the same class experience one would have on Okinawa. Karate helps to increase coordination and promote self-esteem. The class is led by Henry Carino and Som Sivongxay. Youth 10 and older are encouraged to participate in the class with their parent or guardian. Both instructors are 5th degree black belts and both have their own children in the class.

Beginning & Advanced Traditional Uechi - Ryu Karate Mon/Wed, 7:00 – 8:30 pm

Learn Traditional Uechi-Ryu Karate from Attorney Robert "Robb" Van Der Volgen Jr. and CSUS Professor Joan Neide, Ed.D. Both instructors are 9th degree black belts with Master teaching licenses. Robb and Joan will follow the tradition of blending beginners with advanced students. For the beginners, the initial focus is on posture, breathing, footwork and unified movement.

Music & Movement for Toddlers & Pre-Schoolers with Lisa Phenix

Music and Movement classes with Lisa Phenix remain on hold until a vaccination program is in place for this age group. For information on the program and to reserve a space when the program returns contact Lisa at lisap@winfirst.com or call 719-6106.
